Md: Abu Aslam, Deputy Country Manager of the donor organization Water.org, Prof. Dr. Hosne Ara Begum, The Founder Executive Director of TMSS , Rtn. Dr. Md. Matiur Rahman, Deputy Executive Director of TMSS, Ayesha Begum, Treasurer of the Board of Directors, Mohammad Khairul Islam, Executive Consultant , Md. Zakir Hossain, Director (Chief Program Sector) , Md. Sohrab Ali Khan, Director (Chief HEM Sector), Md. Mahbubur Rahman, Director, Mohammad Ali Mithu, Director , Kamruzzaman Khan, Joint-Director , Shakil Bin Azad, Deputy Director and others spoke at the inaugural function.

The project is being implemented by TMSS under the Water Credit Project with the support of donor agency Water.org. The primary objective of the training is to enhance the skills of the trainees in safe water and hygiene sanitation. At the same time, to contribute in improving the standard of living of backward communities, particularly in safe water and health regulations. In addition, to play a role in achieving SDG-6. A Domain Lead, four zonal managers and 15 area managers of TMSS participated in the training as trainees.
